The London Somali conference would address the following areas:

- ✓ **Security:** sustainable funding for the African Union Mission in Somalia (AMISOM), and support for Somali security and justice sectors
- ✓ **Political Process:** agreement to what should succeed the transitional institutions in Mogadishu in August 2012 and the establishment of a Joint Financial Management Board
- ✓ **Local Stability:** a coordinated international package of support to Somalia’s regions
- ✓ **Counter-terrorism:** renewed commitment to tackle collectively the terrorist threat emanating from Somalia
- ✓ **Piracy:** breaking the piracy business model
- ✓ **Humanitarian:** renewed commitment to tackling Somalia’s humanitarian crisis
- ✓ **International coordination:** agreement on improved international handling of Somalia issues

*Since the areas mentioned above are important for the future of Somalia as a whole, it is necessary that the community participates in this process. The collated views would be forwarded to the Foreign Office.*

This event is open to all segments of the Somali community in the UK regardless of their regional background.
